

# ONLINE DESIGN CENTRE

Use these handy instructions on how to download your logos and media assets for your unit.

## STEP 1

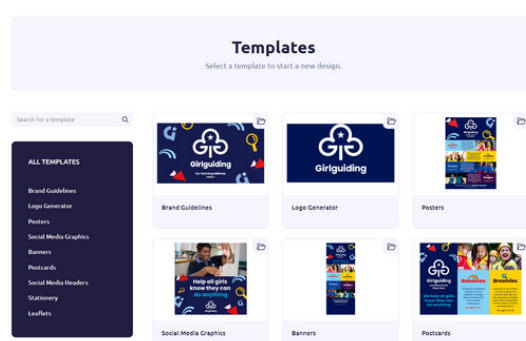

### Log in / Create an account

Head to <https://girlguiding.rightmarket.com/UserJLogin.aspx> to either log in or “create an account”

## STEP 2

### Go to “Templates”

Here you can choose to go to the logo generator, or download other assets

## STEP 3

### Logo – digital

To create a png file of your unit logo, choose the digital logo generator

## STEP 4

### Customise and download

Remember to consult the brand guidelines for colours, language and text length. Customise the logo using the left hand side menu, and then download!
