

Engineering Challenge

Scouts and Guides from across York are invited to a day at the University of York to test your creativity, ingenuity and engineering skills.

Teams will be challenged with using the materials provided to make an egg move as far as you can without breaking it. That could be on wheels, wings, or simply launching it through the air.

UNIVERSITY
of York

**School of Physics,
Engineering and
Technology**

The event will be on **Sunday 12th of March from 10am to 3pm** at the **Exhibition Centre**, University of York. Scouts and Guides wanting to enter will need to be in a team of 3 to 5 people (maximum 70 teams).

Register by 31 January 2023 to have one or two teams, with John.Ives@nys.org.uk. Specific names can be provided later.
