via email for their depots
tansydepot@outlook.com
Brownowl52@aol.com

Tower

Orders are processed on a Friday, and accepted via email
towerdepot@outlook.com

V6 - January 2023

A Safe Space Training

All volunteers need to undertake A Safe Space training related to their role. For example, if your role requires up to level 3 then you will need to complete levels 1, 2 and 3. All trainings need renewing every 3 years.

1st Response Training

Only full courses are now available (refresher courses have been discontinued). An additional e-learning module via the Learning Platform is also required.

Air & Share Events

These provide an opportunity for representatives from Rainbows, Brownies, Guides & Rangers to come together within their peer groups to air issues, chat through concerns, and discuss challenges, as well as sharing good practice & experience!
